

Housing List Provided by HOPE

Listing compiled by: Housing Options Provided for the Elderly (HOPE) 3-1-26

314-776-0155 Website: HopeSTL.net

** This is a list of senior housing, but note that many senior buildings also accept younger persons on disability (as noted on the list).

** Please copy and distribute the list if you can, rather than call us to mail it out.

An updated list can be found at HopeSTL.net

** We welcome your donations to help us maintain the list. Donations are tax deductible and can be sent to:

HOPE, 7300 Dartmouth Avenue, Suite 100, University City, MO 63130

** "**Subsidized**" means that rent is approximately 30% of income.

** "**Tax Credit**" means the rent is considered affordable, but it is a set amount that is not based on a percent of income. These may also be known as LIHTC

** "**Market**" means the rent is set by the property owner and you must call to get the rental cost.

** "**Voucher**" means you must have a Section 8 voucher to pay rent at 30% of income (otherwise you pay market rent). Vouchers are periodically issued by the Housing Authorities.

If you have a Voucher, you can get a subsidized rent by renting from any property owner who will accept it, including property owners who are not on this list. New vouchers are not issued very often.

** **Voucher information:** St. Louis City (314-531-4770) St. Louis County (314-428-3200).
